

Healthcare / Tunics

Lightweight Female Universal Tunic

A modern lightweight tunic in bold tonal colours for a less clinical healthcare look. Action back pleats and side vents allow for ease of movement alongside multiple pockets, two with waterproof lining, to create a functional and comfortable tunic.

Key features

- Scooped v-neck with contrast panels
- One chest pocket with pen division
- Two hip pockets, one with waterproof lined inner pocket
- Mock half back belt detail
- Open ended zip front fastening in line with infection control guidelines
- Double action back pleats and side vents for improved ease of movement
